

Safety Support Sheet: Anti-Bullying Poster

Student Instructions: Use this paper or a piece of construction paper to draw an anti-bullying poster. You can draw pictures, write words, or cut out magazine clippings to create a poster with an anti-bullying theme. When you are done, your teacher might want to hang the posters up. If not, take it home and share your poster with your parent(s)/guardian(s).

A large dashed rectangular box intended for students to draw their own anti-bullying poster.
