Protecting children from sexual abuse and other types of victimization requires a 360° approach. Access adult and child-focused abuse prevention training for a total prevention solution at:

[www.Prevent360.org](http://www.Prevent360.org)

**Prevent 360° is a comprehensive solution for communities working to prevent child abuse and victimization.**

Leaders in child protection Darkness to Light and Monique Burr Foundation for Children have partnered together to offer adult and child-focused abuse prevention training packaged to fit your unique individual or corporate needs.

At the core of our approach are complementary strategies for adults and children to have a common understanding for discussing, preventing, and responding to different forms of abuse. Each package features our evidence-informed training programs:

**Stewards of Children®**

Darkness to Light's flagship program, *Stewards of Children*®, is an award-winning, evidence-informed training that teaches adults to prevent, recognize, and react responsibly to child sexual abuse. Nearly 2 million adults in all 50 states and 76 countries have been trained online or in person to protect children.

**MBF Prevention Education Programs**

Monique Burr Foundation for Children's Prevention Education Programs include MBF Child Safety Matters® for elementary schools, MBF Teen Safety Matters® for middle/high schools, and MBF Athlete Safety Matters® for youth athletes. These evidence-based/evidence-informed programs educate and empower children with strategies to prevent, recognize, and respond appropriately to bullying, cyberbullying, digital dangers, the four types of child abuse, exploitation, and trafficking.
